Description

Mayan Island is an upscale private complex located on one of the most beautiful beaches in Mexico, along the Riviera Nayarit, only 20 minutes north of Puerto Vallarta International Airport. This complex has the lowest condominium density in the area, with only 98 units distributed on three buildings facing straight to the ocean with unobstructed views. It is certainly one of a kind. Immerse yourself in the lap of luxury at Mayan Island. Here, you'll find a sprawling pool that stretches along the Pacific Ocean, lush grounds, shimmering lakes, and world-class golf courses. Calakmul 402 is a 1,560 sq ft two bedroom, two bathroom located on the fourth floor with a spectacular view of the Pools, Beach, Ocean, and Palm trees in which you can hear the sound of the waves at all times.
