### Description

Casa Roberto (Sayulita, Nayarit) If location is everything Casa Roberto is a surfer's dream ... Nestled a couple of hundred meters above the north-side surf break in Sayulita, Casa Roberto sits inside a private walled-in and gated courtyard. The traditional ejido design was built brand new from the foundation up with all modern amenities; gourmet kitchen, beamed ceilings, tile roof, two en suites — both with full baths — living room, dining room and a wrap around porch. The 967 sq meter lot boasts a spacious yard, great for pets of all sizes with plenty of room for a pool. Casa Roberto has a basketball/pickleball court and an exotic garden shaded by a spectacular higuera (fig tree).
