Description

Sustainable Luxury in Sayulita, Casa Maya is a Mediterranean-Mexican style home, located in one of Sayulita's most desirable residential areas. Thoughtfully designed and built with attention to detail, this eco-conscious property features 5 bedrooms, 5 full bathrooms, 2 half baths, and a bright open-concept living area overlooking the saltwater heated pool. The home showcases high-end finishes, solid wood craftsmanship, and custom-made furniture throughout blending elegance with comfort. Sustainability is at the core with solar panels, biodigester, inverter hydraumpump, energy-efficient A/Cs, and chukum finishes that naturally regulate indoor temperatures. A security camera system and covered parking for 4 cars provide peace of mind.
