Description

This 500 square meter plot of land is located in a privileged corner within San Pancho, a charming coastal town that has experienced constant growth in recent years. Its corner location gives it excellent visibility and accessibility, with two fronts that allow multiple options for the design of any type of project. The topography of the land is varied, which gives it a unique character and great potential to make the most of the space depending on the buyer's needs. The possibilities are many thanks to the flexibility of the land.
