### Description

Discover a one-of-a-kind mountain retreat with sweeping ocean and city views, where style and serenity meet high above Puerto Vallarta. This beautifully remodeled northwest-corner residence offers panoramic vistas from the living room, dining area, and kitchen, with wide balconies framing sunsets over the bay and the lush Sierra Madre. Unlike most units, this home underwent a thoughtful redesign: custom white cabinetry, hand-selected Mexican tiles, a bespoke kitchen island, a new laundry room, hand-painted ceilings, and a reimagined primary bathroom featuring a rare deep soaking tub and repositioned rain shower. Smart TVs are artfully hidden, and handcrafted furniture and custom artwork elevate every corner.
