### Description

Built in the tradition of old Vallarta with white walls, diamond patterned floors, airy living areas, and red tiled roofs, Casa Alta is an elegant combination of Mexican accents and modern amenities. Passionately designed and built, the property features custom cabinetry, hand-carved doors and furnishings, and Mexican, American, and European art and antiques. Recently built and immaculately maintained, the property has never been rented or shown to the public. Casa Alta is a 7,100 SF four bedroom, five bathroom two-story property designed around a central courtyard which provides beautiful day and dramatically-lit evening sightlines.
