Description

Beyond its current charm, 'El fin del Cielo' presents an incredible pre-build opportunity. Professionally designed architectural plans are included with the sale that reflect the homeowner's vision for a luxurious six-bedroom sanctuary. All building permits have been approved, and estimates are in place for a smooth transition into development. The property is being sold as-is, including the current home, approved plans, permits and construction documents. A complete walk through High-quality rendered video is available to showcase the architectural vision and proposed build. A rare opportunity to own one of Sayulita's most unique and visionary properties, ideal for those seeking a personal retreat, part/full rental property, boutique hospitality concept or a one-of-a-kind legacy home.
