### Description

Casa San Rafael isn't just a house — it's what you call a dream home. It's the kind of place that comes to mind when you think of vacation, comfort, convenience, and good times all in one. Inside, you'll find a generous layout for common areas, designed for gatherings, relaxation, and everything in between. The home features four expansive bedrooms, ideal for family, friends, or guests — each with its own private balcony to enjoy the breeze and morning light. Step outside and you'll understand what makes this property truly special. The exteriors are just something else — you'll have to live it to believe it. An inviting, oversized pool with jacuzzi takes center stage, surrounded by lush greenery and sun-filled terraces, setting the perfect scene for a BBQ or a laid-back pool day.
