Description

This 1 bed, 2 bath condo is quiet and spacious. The unit has a large kitchen and open-plan living space that opens to a large terrace that runs the width of the unit. The king-sized bedroom leads to a custom-built dressing room and private bathroom. The guest bathroom is well located for guests visiting for dinner or staying over (a Murphy bed built into the living room cabinetry give an extra sleeping area). Altazor offers sweeping views of the bay and city from the rooftop terrace and pool. Solar panels on the rooftop provide electricity for the common areas, elevators and to heat the pool.
