Description

Enjoy everything Puerto Vallarta has to offer from this two year old house in the Romantic Zone. Walk to restaurants and bars, and when it's time to go home, just walk home! On a quiet, dead end street one block from Basilio Badillo, you'll find this three story house with its rooftop entertainment area culminating in a lovely swimming pool and outdoor kitchen, with plenty of room to accommodate your friends and family. Luxuriate in the spacious primary suite with its private living, dining and kitchen areas. Guests will love the main floor second suite that looks out onto the courtyard. All three kitchen areas are equipped with dishwashers - the benefit of new construction in Vallarta. Soaring ceilings on every floor make this dream home feel open, airy and delightful.
