Description

Mangrove Preserve is a truly unique project. Its privileged location nestled along the El Salado estuary means owners will enjoy an unparalleled view of its beautiful, dense vegetation, as well as the mountains and marina. Wake up to the sounds of birds greeting you. Feel the breeze that sweeps down from the mountains over the tree-tops, carrying oxygen from almost 200 hectares of protected mangrove. The Gardenia models are located at the edges of both buildings, with large windows to provide a cross-breeze. The unit has 2 full bathrooms, making it easy to accommodate guests. The open-air kitchen design and the height of the ceiling (3m) give an amazing sense of space that really must be seen to be appreciated. This unit cannot be combined with a Jazmin to make a 2br lock-off.
