### Description

Custom designed and built private refuge in the nature reserve of Rancho Clavellinas. It sprawls over a large 7-acre lot just steps up from its own private beach at the north end of the jungle road 15 minutes from downtown San Pancho. This luxury home feels like living in the treetops, an open design gazing upon the tropical outdoors from the serene comfort of the indoors defined with gorgeous ornate wood accents and handcrafted stonework. The house is perfectly set up for hosting multiple families and/or groups with five independent bedrooms, each with its own entrance, all connected by beautifully maintained stone pathways that weave through the gardens. The house blends perfectly with the natural surroundings, built organically around the existing trees.
