6**

### Description

**Casa Buena Vida: Where Timeless Charm Meets Modern Elegance** Situated gracefully on a hillside, this 4-story architectural masterpiece blends traditional Mexican design with contemporary sophistication. Terraces on every level capture breathtaking bay views, while expansive sliding glass doors flood the home with natural light and fresh breezes. Inside, the soaring two-story pyramidal ceiling in the living room and master suite, crafted from brick and crowned with a 20-foot skylight, adds a dramatic yet inviting touch. Warm Saltillo-tile floors, barrel-vaulted ceilings, and floating walkways create a seamless flow between spaces, offering both comfort and character.
