Description

ART WALK is an experience for a small group of people passionate and respectful of nature and Mexican Art Expressions founded in Nature. Inspired by the four elements of nature, ARTWALK is a tribute to Mother Earth. The four elements of nature are present throughout the spaces of the complex, and are infused to ART WALK community members. This balanced combination of the elements of nature transmits harmony and balance in all spaces of the building. By being enrolled in the LEED® program, ARTWALK is committed to the environmental care and the community where it is being built. ARTWALK welcomes Investors through the In-House Services to support Rental Business at lowest cost in the market."
