Description

A development that is defined by its quality in construction and architectural design. These houses have a unique style, beginning with solid Parota finishes throughout the carpentry (doors, closets, bathrooms, and kitchen), granite countertops in the fully equipped kitchen with induction stove, oven, hood, refrigerator, and laundry center. Each of the houses have preparations for internet service, electric curtain, solar panels, among others. The houses share a common area with heated pool, bathrooms, showers, sunbathing area and outdoor kitchen. Access will be controlled by 24/7 security, each house will have vehicle access cards. List price is in National Currency, the price in dollars is courtesy.
