Description

Mangrove Preserve is a truly unique project. Its privileged location nestled along the El Salado estuary means owners will enjoy an unparalleled view of its beautiful, dense vegetation, as well as the mountains and marina. Wake up to the sounds of birds greeting you. Feel the breeze that sweeps down from the mountains over the tree-tops, carrying oxygen from almost 200 hectares of protected mangrove. The Rosa models are one-bedroom units that vary in size located in building B. Their equivalent models in building A are called Violeta. A smart distribution makes the most of the space. High ceilings contribute to the airy feeling.
