Description

Casa Jupsita is a newly finished condo in the Ipomea Development on the North side of Sayulita. It sits amongst the treetops tucked in the back corner at the property's highest point, giving it ocean views, fresh ocean breezes, and lots of privacy. It is the only unit with a private deck with a plunge pool and garden space. Inside, you will find an impeccably decorated 2-bedroom, multi-level home. The downstairs has a full kitchen, living room, and half bath with laundry. Upstairs, you will find a romantic principal suite with a small balcony, ocean views and palapa roof as well as the second bedroom and full bathroom. Every detail of the décor was intentionally selected to create the perfect balance of high-end luxurious comforts in this humble and perfect space.
