### Description

Enjoy this oceanfront retreat, nestled in the tropical jungles of Banderas Bay's desirable south shore. Relax on the patio with your family or friends, making use of the pool, spa, and outdoor bar. And if you crave a closer look at Pacific waters, the ocean terrace is accessible by a short walk featuring a swinging bridge. Opportunities to kayak, swim, or snorkel abound. Experience year-round bird watching or winter whale watching. After you have had your fill of outdoor fun, retire to one of the estate's eight bedrooms, each featuring an unobstructed ocean view. At Villa Padre, privacy is paramount. The main home and two additional residence buildings were originally built as a private residence, but it now hosts luxury vacation rentals to very select groups.
