Description

A developers jackpot, with a killer view. This combination doesn't come up as often as we would like. Here with 1.5 Hectares, we call out to anyone who can identify a good investment. The property offers a house with 5 bedrooms, 5 bathrooms. With solar panels installed. There are outbuildings decorated with palapas, a BBQ area and a well sized pool. A total of 750 m2 of construction. The rest of the property is 12652 m2 of lot. The significant feature is the million dollar view. The views consist of ocean, the Monkey Mountain with all of its hiking trails. The flat land over looks the Litibu Bay. The perfect recipe for limitless potential.
