Description

Nestled into one of the few hilltops near the downtown area of San Pancho is Casa Nuestro Sueño, a refuge away from the hustle with 360 degree views of the mountains, ocean, coastline and town. Set up for pure relaxation, this open air home forces one to decompress in the hammock and watch the town humming below. Ocean breezes allow you to leave the wall to wall windows open for breathtaking views. It has two bedrooms in the main house with an open living room/ kitchen concept and a 1-bedroom guest unit attached below with ocean and town views. The rooftop is for optimal viewing and the property has potential for expansion (H127)... more guest houses, a larger home or even a boutique hotel. It is an easy walk to the beach/restaurants/shops, yet sits quiet + private up its palm grove
