Description

Villa Lucile is located on a very quiet, residential street, adjacent to the San Pancho golf course, and the govt owned town water tank. So no neighbours on each side and behind it. It's centrally located, just 3 blocks from the beach, with splendid ocean views. Whale watching is possible from the Casitas and terraces. With its 360-degree view and elevated position, you can observe the sunrises and magnificent sunsets as well the evergreen jungle that surrounds this beautiful pueblo... Truly a unique one of a kind location to take in and fully appreciate San Pancho at its finest. Villa Lucile is a 2-minute walk from the main street, stores, restaurants, and cafés.
