### Description

Just steps from the sand, Casa Nido is a 5-bedroom, 5-bath home perched like a treehouse on a 1/2 acre hillside with unobstructed coastal views. This home is set in a private jungle sanctuary on the south side of Sayulita, adjacent to the main beach, and just a short 5-minute walk to town and the popular surf break. The main house features a kitchen, living room, office, and three bedrooms, each with its own bathroom. The central wooden deck, built amongst the trees, connects all the spaces. Additionally, a detached palapa has two rooms each with a bathroom. Other spaces on the property include patios and terraces built into the landscape, a garage, maids' quarters with laundry, and a storage unit for surfboards, bikes, and more.
