### Description

This one-of-a-kind house is located in a very special corner of El Centro (Downtown Puerto Vallarta), surrounded by world-class restaurants and art galleries, only three blocks from the highly-renowned "El Malecón" (seaside boardwalk). Its location is unbeatable. The property is composed of two 2-bedroom apartments with independent entrance, which makes it a potential high-income business opportunity. The whole building is in exceptional shape (both interiors and exteriors), and its wide rooftop terrace offers some of the most incredible views of the bay, along with Puerto Vallarta's stunning sunsets.
