### Description

The name Aregash means Place of Peace or Place of Calm in the Ethiopian language, this home embellishes every aspect of that term. Situated in an area that is quiet to begin with, the home itself sits atop a hillside overlooking the Sayulita arroyo, which half of the year has a stream of water running through it. The design of the house is situated as indoor/outdoor living at its best, with ample space inside and outside for activities and entertaining. High ceilings throughout magnify the feeling of spaciousness, and the comfortable design makes you feel right at home. The kitchen is chef worthy, with a full size commercial style stove and oven, new refrigerator, and ample granite countertops and bartop.
