244.00**

**Bedrooms
3**

**Bathrooms
3**

Description

Versalles is considered to be one of Puerto Vallarta's most desirable areas to buy real estate in right now. It's where I decided to buy my first property, which is almost completed! It's hard to find an existing unit available for sale in Versalles, but there are a handful of pre-construction projects happening where you can get steep discounts for investing. Investing in real estate in Versalles presents the potential for long-term appreciation. As the neighborhood continues to attract attention and undergo development, property values are projected to increase.
