Description

Precious indoor-outdoor living steps from the 1,500 foot beach within the residential resort of Punta Esmeralda, this is a rare opportunity to acquire one of the coveted oceanfront townhouses. Perfectly elevated above the ocean and common areas, the view from this extensively renovated and turnkey residence is embellished by the reflection of its own elegant infinity pool that blends with one of eight common area pools and the ocean beyond. Over 30 feet of glass doors connect the living and dining area to over 500 square feet of terrace-perfectly set up as an outdoor living and dining room. The changing skyline of the long beaches of Bucerias, Nuevo Vallarta and Vallarta in the distance are a pleasure to watch day or night, from almost every interior space.
