Description

Presenting Villa Bali 5, the private home of the importers, designers and developers of the Villa Bali project. Villa Bali is a gated six homesite community located ten minutes from Sayulita very near to Patzcuarito beach. These 100+ year old solid teak homes were imported from Bali, Indonesia and painstakingly rebuilt with red brick additions and architectural items from around the world. The main villa offers 2 bedrooms and 2 bathrooms and a fully equipped kitchen, while the casita has an additional bedroom and bath. When you sit on the covered 1000 sqft patio at the main villa, you will immerse yourself in the breathtaking vistas of the lush jungle surroundings. This stunning property integrates the essence of tranquility and stands as a testament to timeless craftsmanship.
