Description

Behold an architectural masterpiece, a riverfront gem nestled in the heart of Centro Vallarta. Mere minutes from the enchanting Zona Romantica and a stone's throw from the main square and church, this centrally located property captures the essence of everything Vallarta has to offer. This stand-alone, impeccably designed home boasts a generous frontage and the exceptional rarity of an enclosed 2-car garage. Its unassuming exterior only heightens the sensory experience as you pass through the grand entrance. Beyond the giant front door awaits a breathtaking scene—a magnificent tree bathed in backlight, an original expansive stone wall adorned with a fountain.
