Description

Mangrove Preserve is a truly unique project. Its privileged location nestled along the El Salado estuary means owners will enjoy an unparalleled view of its beautiful, dense vegetation, as well as the mountains and marina. Wake up to the sounds of birds greeting you. Feel the breeze that sweeps down from the mountains over the tree-tops, carrying oxygen from almost 200 hectares of protected mangrove. High ceilings contribute to the airy feeling. This large 2 bedroom has a flex room that can easily serve as a third bedroom. Big balcony overlooking the mangrove. Retractable glass panels open the master bedroom onto the living room section where there is a white marble jacuzzi.
