### Description

This beautiful, newly built building with three apartments features a timeless design and a blind façade - giving this property total privacy and unbeatable views of the Los Ayala Nayarit rainforest. Two of the three apartments have a large private balcony and one of them offers a balcony and large terrace within its layout. Just a two and a half block walk away you will find access to the beach and all the picturesque restaurants and services that this quiet little fishing town has to offer. Each apartment has its own independent entrance since it was built for vacation rentals through digital platforms.
